

Nautical Decor

240 EUR

Period : 20th century

Condition : Etat d'usage

Material : Bronze

Diameter : 55 cm

Height : 22 cm

Description

3-bladed boat propeller. It shows signs of wear--such as scuff marks from rubbing against rocks--which attest to its authenticity. Grinding marks are visible on the blades and were likely caused during a dry-dock visit to remove deposits. The bore is truncated conical and is designed to secure the propeller to a drive shaft fitted with a key.weight: 15 kg
