

Solid Bronze Lamp With A Gunmetal Patina From The Art Deco Period

300 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Diameter : 19cm

Height : 42cm

Description

Art Deco-style table lamp (circa 1930)
eGlassware: Tulip-shaped bowl/vase made of opalescent molded glass, featuring striations and a beaded border (water droplet and cabochon motifs) typical of Sabino, Verlys, or Lalique pieces from that era. Base: Telescopic, stepped base (skyscraper shape) in solid bronze with a dark gunmetal patina, resting on a circular, molded base in patinated bronze. Electrical: Equipped with an original bayonet socket (B22) and a cord with a guillotine switch. In working condition.
