

Antique Painted Wooden Sideboard

3 600 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Length : 202

Width : 60

Height : 107

Description

Antique painted wooden sideboard, decorated on the front with floral motifs and scrollwork in shades of red and gold on a light background. It features two central doors, decorated side panels, a contoured top, and a base with ornate legs. The finish has a pleasant original patina and shows normal signs of age.
