

Art Nouveau Pendant, 18k Gold, Featuring A Woman's Profile And A Four-leaf Clover With Diamond

2 400 EUR

Period : 19th century

Condition : Très bon état

Material : Gold

Description

Art Nouveau pendant, hollow, made of 18-carat yellow gold, featuring a young woman in slight relief in front of a four-leaf clover. Her hairstyle is accented by a headband or crown featuring a star motif and set with several rose-cut diamonds. A row of rose-cut diamonds also frames her neck like a necklace. A traditional symbol of good luck and protection, this pendant complements an everyday outfit, whether worn alone on a long chain or paired with other pendants. Period: 1890 Style: Art Nouveau Metal: tested 18-karat yellow gold without hallmark Stones: 8 diamond roses Profile: female profile against a four-leaf clover Dimensions: 35 x 27 mm Weight: 3.7 grams Condition: three diamond roses missing; restored prior to sale.
