Description

Ivory-colored lacquered wooden children's armchair with green trim. The backrest features a pediment with scrollwork; the smooth-sided armrests are supported by a sheathed base topped with a fawn-colored finial. The trapezoidal seat rests on a saber-shaped base with a tubular back that ends in claw feet at the front. 20th-century Empire-style piece. Note the excellent condition of the upholstery. Payment by bank transfer. Shipping costs extra.
