Description

Oil on canvas. A large, dramatic landscape imbued with a romantic atmosphere thanks to the sunset setting. On the left is an architectural caprice; on the right flows a placid, vast river. Numerous figures from the common people enliven the scene, engaged in their daily activities. The painting underwent restoration and relining in the first half of the 20th century. It is presented in a frame dating from the period of restoration. ARARPI0307067
