Description

Louis XIV-style side table with folding top, bearing the mark of a Parisian cabinetmaker's workshop. A refined, versatile piece of furniture, beautifully crafted. This side table is distinguished by its folding top and turned legs, typical of the Grand Siècle. A folding tabletop with marquetry: Closed: Features a rectangular tabletop inlaid with a panel of burl walnut with speckled and nuanced grain, framed by a dark border. Open: The top opens into two panels hinged by discreet brass hinges, revealing a marquetry chessboard. Storage: Two built-in side compartments hold the game pieces. Excellent condition, stamped Parisian craftsmanship, mid-20th century. Shipping within France: 50 euros
