Description

Elegant globe Wernicke London bookcase in mahogany from the late 19th century-early 20th century from England, consisting of 5 sections, including a very large, deeper section at the bottom that can accommodate binders, atlases, etc. The bookcase features large, deep sections, allowing for the storage of large books and objects--a rare feature and a major advantage. It is the size of a 6-section bookcase because its 5 sections are so large. A beautiful, large, and rare model featuring a molded base and top and 5 glassed sections. Fully disassemblable. A bookcase with plenty of character, featuring metal hardware on the sides. The glass panels slide inside the cabinet. It can serve as a bookcase or display cabinet.
