

Songye Fetish Couple, Democratic Republic Of The Congo

1 600 EUR

Period : 20th century

Condition : Etat d'usage

Description

Songye couple, protective statue, carved wood with nails, kid horns, and straw; height 37 and 36 cm without the base. Beautiful, glossy patina from use, finely carved; note that the woman is turned toward the man--she cannot look directly at the shaman. The glare in the photos is due to the strong lighting used to show the objects as clearly as possible; they are darker in reality.
