Chrome-plated Metal Lamp With A Minimalist Design Attributed To Christian Liaigre

480 EUR

Signature : Christian LIAIGRE

Period : 20th century

Condition : Bon état

Description

Chrome-Plated Metal Designer Lamp Attributed to Christian LIAIGRE Circa 1970 With a relatively minimalist design, this lamp nevertheless offers many options and possibilities:- Weighted circular base to ensure stability.- Dual independent lighting to adjust the brightness level.- 180° swivel head to illuminate the floor, sides, or ceiling.- Telescopic, extendable, and rotating base tube offering a height range between 71 cm and 1.16 m. This lamp can thus serve as a desk lamp, a reading lamp, a small accent floor lamp, or even mood lighting... Works perfectly. Good overall condition, with a few inevitable minor signs of wear. The inside of the shade and the switches need to be cleaned further. The white paint on the shade is partially peeling; it needs to be completely removed. See all photos for more
