Height : 13

Description

Large ice bucket from 1970, signed by the crystal manufacturer Kosta Sweden and designed by the artist Vicke Lindstrand. This renowned glass designer was a major figure in Scandinavian art beginning in the 1930s. He worked notably for the two major Swedish crystal houses, Orrefors and Kosta. This large, solid ice bucket stands out for its very generous shape and the simplicity of its snowflake-engraved design on the base. The crystal is in exceptional condition with no flaws. The handle is made of solid chrome. A superb example of Scandinavian design from the early 1970s. Weight: 1.7 kg
