### Description

A carved and gilded wooden mirror, characterized by a rich and intricate design typical of the Rocaille style. It features a central mirror flanked by two molded side mirrors, all enclosed within an elaborate frame adorned with volutes, leaves, and flowers, highlighting a decorative style well-suited to classic and refined settings. The gilded surfaces lend brightness and prestige, while the overall structure reveals meticulous attention to detail.

Product Condition: Due to its age and wear, this item requires restoration and re-polishing. We strive to present the actual condition of the piece as completely as possible through the photos. If certain details are not clear from the photos, the information provided in the description takes precedence.
