Description

Pair of Louis XIII-style back chairs in solid oak. Our chairs rest on four baluster legs connected by an H-shaped brace with a square cross-section and a crossbar at the front, below the seat. The backs are wide and short and upholstered in fabric. Known as a "chaise à dos" or "chaise à vergadin," this chair has no armrests to allow ladies to sit comfortably despite their voluminous and stiff vergadin skirts. Recently restored, our two chairs therefore feature a seat that is in very good condition and comfortable; the upholstery fabric is ribbed velvet with a beautiful fringed trim. Dimensions: backrest height: 97 cm seat height: 47 cm seat depth: 42 cm total depth: 47 cm width: 58 cm Please contact us for shipping costs
