Description

Jacques Fauché -- Bouquets of Flowers Oil on canvas, signed lower left 27 × 45 cm A beautiful floral composition by Jacques Fauché, notable for its explosion of colors and its very free painterly style. Against a deep red background, the artist brings to life a generous bouquet in shades of blue, yellow, green, pink, and white, in a vibrant composition full of movement. The vase, rendered in warm, earthy tones, anchors this profusion of flowers and provides a lovely contrast to the bouquet's liveliness.
