Description

The Floral Still Life with Carnations antique painting presented here is a beautiful oil on canvas painting from the early 20th century, Art Déco.

The antique painting is presented in a carved and lacquered wooden Montparnasse-style frame, dating from the early 20th century.

The composition features a rich bouquet of cut flowers arranged inside a small decorative vase.

The bouquet is dominated by carnations in shades of red, pink and white.

The pictorial style, associated with Art Déco and Post-Impressionist taste, is distinguished by its colour balance, the softness of the brushstrokes, and the attention given to the textural rendering of the petals and foliage. French painting from the 1930s.
