Geneviève Chapront (1909-?) - The Gift Of May

450 EUR

Period : 20th century

Condition : Très bon état

Material : Oil painting

Description

Oil on canvas. Original painting. Hand-signed.- Here is the untamed offering of the countryside, the overflowing grace of the path that bursts forth from the twilight of the hearth to remind us that true beauty is free, untamed, and wild. These tiny calyxes, huddled together in a bouquet scented with damp earth, morning sun, and fresh grass, transform the shelf into a pagan altar to life. The terracotta pot holds them with the silent devotion of one who knows they hold the very essence of abundance: May's gift, brief and glorious, pulsing with the power of a miniature volcano at the heart of everyday life.- Unframed image dimensions: 53 x 72 cm / 55 x 74 cm with a custom frame.
