Description

Set (Pair with different heights) of Modernist Art Deco Lamps / Clichy Glassware Date: 1935 White speckled Clichy glass with chrome trim. Chrome-plated aluminum bases with circular, "stepped" bases. A particularly elegant design due to the balance of its proportions and the contrast between the shine of the chrome-plated metal and the texture of the glass. Both lamps have been fully rewired (gray twisted fabric cord and pull switch). This is a "mismatched" pair; while the two lamps are identical in design, they differ slightly in height: the larger one measures 36 cm and its smaller counterpart 32 cm. Price listed = For the pair (can be purchased separately upon request) The set is in excellent condition and ready to be displayed! Dimensions: Large lamp: Height = 36
