

Paul Debast (1960) - Abstract Landscape

320 EUR

Period : 20th century

Condition : Très bon état

Material : Oil painting on wood

Description

Oil on panel. Hand-signed. The painting transforms into a structure of precise elements where color, far from being merely decorative, dictates the weight of each edge. A true puzzle of intuitive geometry, it invites the viewer to uncover the hidden order behind the interplay of planes and pigments. Ultimately, the canvas ceases to be an image and becomes a structure: a mental mechanism sustained solely by the logic of color. Dimensions of the artwork without frame: 34 x 45 cm / 45 x 55 cm with a custom frame.
