

Set Of Five Small Canton Balls, Made Of Ivory, 19th Century.

290 EUR

Period : 19th century

Condition : Très bon état

Material : Ivory

Diameter : de 2,2 cms à 1,3 cms

Description

A lovely set of 5 re-drilled ivory balls, turned on a lathe, known as "Canton balls." Four are Chinese; the smallest may be European. The largest contains at least three inner balls, while the smallest contains a small polyhedron inside. One of the red balls is chipped. 19th-century work.
