that emerged in the second half of the 17th century, a style also adopted by silversmiths, earthenware makers, and glassmakers. Note on hallmarks: In Toulouse, as in many cities throughout the Kingdom, Louis XIV's edict establishing the hallmark in 1691 was not strictly enforced, and for this center, only the dates 1691 and 1709 are known. The latter hallmark was used for many years without being updated and therefore does not allow for precise dating of the objects bearing

it. ***** Website: <http://www.commenchal-expert-etains.com/> ***** GUARANTEE Former professor at IDETH (Institute for Technical and Historical Studies of Art Objects) Former professor at the EAC (School of Art and Communication) Former member of the UFE (French Union of Experts) Jean-Claude COMMENCHAL guarantees the authenticity of the object described above. A detailed description, including a photograph, will be provided to the purchaser upon request.
