| Description |
|-------------|

"The Shepherd" is a statue carved from marble by Bertel Thorvaldsen in Rome in 1817 (H 148.5 cm) Our fine figurine is the largest (49 cm) known reproduction of the original. It is made of a hardened plaster composition that imitates bisque, a secret of the H. G. Brix factory (The bisque editions from the Royal Copenhagen Factory (H 29 cm) and Bing & Grondall (33 cm) are smaller in size)
