Description

Description: Chiseled and gilded bronze. Here we have two hanging ornaments featuring knotted laurel branches (20 cm), two medallions (8 x 8 cm), and a curved, open work rocaille panel (height: 16 cm, width: 10 cm). We have acquired a large collection of antique bronze pieces of fine craftsmanship from furniture, light fixtures, etc. Since our workshop specializes in gold leaf gilding, all these panels will be in perfect condition--either retaining their original gilding or having it restored now at a reasonable cost. Since we cannot list everything online, please call us to find out if we have one or more pieces that suit your needs. Condition: Ready to use, 24k gold leaf gilding restored. Ref. 3742 / 2 kg / 300.
