

Slate Table / Old Slate Table

3 200 EUR

Period : 20th century

Condition : Très bon état

Diameter : 93cm

Height : 73cm

Description

Antique slate table crafted in the early 20th century. Each piece is hand-carved with a stone chisel according to traditional methods on thin slate, which gives this table a light, airy feel. Generally speaking, the slates used for these thin tables are the oldest and most elegant.
