Description

An elegant vintage ball-shaped table lamp with a sculptural and timeless design. Its opal white spherical shade (Murano glass) features delicate translucent vertical ribs, creating a beautiful graphic effect when the lamp is lit. The soft, warm light beautifully highlights its lines and lends a refined atmosphere to any interior. Resting on a small gilded metal base, this lamp fits equally well in a contemporary interior as in a more classic setting, particularly on a console table, sideboard, or side table. A decorative piece with an elegant presence, ideal for lovers of vintage design and sculptural lighting. Period: 20th century, vintage style Style: Design, Modernist Shape: Ball / Spherical Color: Opaline white Lighting: Warm light Condition: Good overall condition, with signs of wear consistent
