

Pair Of Angels In Gilded And Polychrome Carved Wood, 16th Century

750 EUR

Period : 16th century

Condition : En l'etat

Material : Painted wood

Width : 8cm

Height : 30cm

Description

A pair of angels in the "terme" style supporting finely carved linden wood capitals. These sculptures most likely originated from a significant piece of furniture or wood paneling. Despite the ravages of time (missing pieces, damage, and past woodworm infestations), the set retains a remarkable delicacy of carving. The delicacy of the faces, the beauty of the drapery, and the very fine remnants of polychromy and gilding. Collector's/inventory label (1937-1938) Lot 5 from a former sale at Artcurial Poulain Le Fur. Height: 30 cm Max. width: 8 cm Shipping costs not included
