Description

Large mantel mirror - Cream and gold lacquered wood - Louis XV / Napoleon III style An elegant large mantel mirror made of carved wood, lacquered in cream and accented with gilding, featuring a beautiful, dynamic silhouette inspired by the Louis XV style. The frame is richly decorated with gilded moldings, garlands, small flowers, and foliage motifs. The slightly arched upper section is topped by an elegant carved floral medallion, framed by ribbon motifs. The lower section features two wide scrolls ending in carved and gilded feet, giving the mirror a particularly decorative base. The glass, with a scalloped shape and beveled edges, harmoniously follows the curves of the frame. A highly decorative piece, typical of the historicist taste of the second half of the 19th century, ideal for
