Description

An elegant, egg-shaped Murano glass table lamp with a sculptural and timeless design. Its egg-shaped silhouette, crafted entirely from white opaline glass, is enhanced by a central vertical opening that reveals a slender reflective section. When lit, it casts a soft, warm glow that beautifully highlights the material and organic lines of the piece. The lamp comes with its original label bearing the inscription "Vetri Murano," a particularly significant detail for identifying and verifying its Murano origin. Its minimalist aesthetic allows it to fit naturally into contemporary, design-oriented, or Scandinavian decor, as well as into a classic, chic Haussmann-style interior. A truly beautiful piece of Italian glassware, both decorative and luminous, that will add plenty of character to a
