Description

A beautiful bust depicting Mahatma Gandhi, sculpted in glazed terracotta and signed by the French sculptor Raymond Raffour (1901-1988). The rendering of the features (thick round glasses, bald head, draped posture, and meditative expression) is characteristic of depictions of Gandhi from the mid-20th century. The piece features a monochromatic light-colored (ivory/cream) glazed finish with a glossy sheen. The signature "RAFFOUR" is incised directly into the clay at the base of the bust. In perfect condition. Dimensions in cm: 10 x 10. Height 23. This item is also available for viewing at my store in Morbihan, southern Brittany, where you can pick it up if you wish.
