Description

A beautiful rural scene depicting three young women bathing. Painting by Vladimir Vassine (1918-2006), a Russian artist who graduated from the Moscow Art School and worked as a teacher. He paints in the pure tradition of Post-Impressionism and Soviet poetic realism, and here he presents a charming work in which he has skillfully captured the light of this bucolic scene. Signed lower right, studio number on the reverse, with name and dimensions. 48.5 x 38 cm (viewable area). Frame: 60 x 49 cm Carefully packaged for shipping
