Description

A beautiful cabinet made of exotic wood with a dark, warm patina, featuring two molded doors adorned with remarkable brass hardware. The interior, which is particularly well-organized, features several shelves, compartments, and drawers of various sizes, providing functional and generous storage space. The numerous compartments suggest a piece of furniture designed for organizing and filing small objects or documents. The front is embellished with beautiful brass hardware, while the low base with straight legs gives the piece an understated and elegant silhouette. With its decorative character, hardware, and lines, this cabinet reflects Asian influences while blending perfectly into an eclectic interior. An original and versatile piece, ideal as storage furniture, a cabinet of curiosities,
