### Description

An elegant pair of Napoleon III period side chairs, finely crafted in ebonized wood and displaying the refined decorative character associated with French furniture of the period. Each chair features a beautifully shaped and upholstered back above a generously padded seat, both covered in a richly patterned cream and gold floral fabric. The upholstery is finished with traditional decorative nailhead trim, complementing the dark wood framework. The finely shaped frames are enriched with carved and gilt-highlighted ornamentation, including scrolling foliage, floral motifs and decorative cartouches. Particularly attractive are the fine gilt lines tracing the contours of the legs, uprights and shaped rails, creating an elegant contrast against the dark ebonized finish. The shaped front rails

feature carved central motifs with additional gilt detailing, while the slender cabriole-style legs contribute to the graceful and sophisticated silhouette. The chairs retain an appealing antique appearance, with age-related wear, rubbing and some losses to the ebonized finish and gilt decoration, consistent with their period and use. The backs are finished with plain fabric panels. Offered as a matching pair, these decorative chairs would make striking accent or occasional seating in both traditional and contemporary interiors. Please note that a matching sofa from the same suite will also be available online shortly. Dimensions (each) : H 97 cm (38.2 in.) × W 57 cm (22.4 in.) × D 57 cm (22.4 in.)
