

Gilded Bronze Triptych Medallion Frame

150 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 7cm

Height : 9cm

Description

Gilded bronze photo frame. A triptych consisting of three stacked oval medallions adorned with openwork pediments featuring Louis XVI-style motifs. The backs are removable, allowing you to insert photos, which are protected on the front by oval-shaped cut glass. Resting on a display easel. Beautiful mercury gilding!
