Description

An elegant Louis XV-style flat-topped desk from the Napoleon III period, crafted with fine cabinetmaking. It features rich wood veneer decoration, accented by gilded bronze trim: ornate handles, lock plates, corner finials, feet, and a decorative gallery. Its flowing lines, curved legs, and three front drawers lend it all the elegance characteristic of the Louis XV style. A decorative and refined desk with a striking presence and a pleasant patina, ideal for a classic interior or for adding a touch of French elegance to a contemporary decor.
