Description

A vintage 585 gold ring in the Modernist style, set with natural diamonds. Twenty-eight brilliant-cut diamonds, arranged rhythmically across the surface of the wide band, create a subtle play of light and an expressive architectural composition. The clean lines, symmetrical arrangement of the stones, and sculptural form--typical of modernist jewelry--give this ring a unique character and an air of understated luxury. The ring bears the manufacturer's hallmark and has been certified by the Lithuanian Assay Office.
