

Miniature Portrait Of An Elegant Woman Wearing A Large 19th-century Hat

290 EUR

Period : 19th century

Condition : Bon état

Material : Water color

Width : 16 cm

Diameter : 8 cm

Height : 16 cm

Description

A miniature depicting the portrait of an elegant lady in the Louis XVI style, painted in the 19th century. This very elegant young woman wears a large hat adorned with feathers, as was customary during the Louis XVI period in the late 18th century. She is presented in a square frame (16 cm x 16 cm), covered in crimson velvet, with a round opening made of chiseled gilded bronze. Dimensions of the miniature: 8 cm in diameter
