Description

A magnificent teak display sideboard from the 1950s-60s. Of very high quality, this piece--with its understated and elegant style--is in excellent condition (fully restored in our workshop). It features a beautiful natural patina. It consists of two detachable sections; the upper display section, with its sliding doors, features glass shelves illuminated by new LED lights. The lower sideboard section has four solid doors with brass handles accented with faux leather plates. Inside, there are numerous shelves, and on the right side, a bar area upholstered in red faux leather. Its sleek design and clean lines make it an ideal piece for interiors in vintage, Scandinavian, Danish, or contemporary styles, or even as a display unit in a store. Dimensions in cm: 213 x 45. Height: 210 This item is also on display in my
