Description

We are pleased to present this elegant and refined chandelier dating from the early decades of the 20th century, featuring 18 light bulbs. Its design is inspired by the opulent French Empire period. Crafted from an elegant combination of gilded bronze and Empire-green lacquered metal, the central shaft and base are finely enameled in a deep green--a bold yet elegant color contrast that evokes the splendor of the Empire style. Its eighteen arms, elegantly curved and adorned with acanthus leaf motifs and decorative garlands, radiate from the center like golden branches. Every element of this chandelier is designed to impress. Viewed from below, the finely decorated central rosette and the pinecone-shaped cap reveal an unparalleled attention to detail. The chandelier is equipped with a new electrical

system. If necessary, we can adapt the light socket to your destination country, but please contact us before placing your order. Imagine a piece of aristocratic history hanging from your ceiling, capable of capturing the gaze of every guest and telling tales of gilded halls and lavish balls. This extraordinary chandelier is much more than just a light fixture: it is an expression of timeless style and grandeur. Perfect for completing an elegant dining room, an entryway, or a refined library. Not only will it illuminate your space with magnificence, but it will instantly elevate the prestige of your home, becoming its undisputed focal point. Wherever you decide to place it, it will be admired and envied by all your guests. The chandelier is in excellent condition, with minimal signs of wear consistent with its age; the gilded bronze has developed a natural burnished patina. We ship worldwide; please contact us for a personalized quote, providing your ZIP code and destination city. Note: The image of the item for sale in its setting is for illustrative purposes only.
