

Standing Bronze Dog, Terrier-type, Ancient Breed, 19th Century

350 EUR

Period : 19th century

Condition : Parfait état

Material : Bronze

Length : 14 cm

Depth : 7 cm

Description

This very endearing dog closely resembles the Cairn Terrier breed, but not exactly as we know it today, since this is a 19th-century animal bronze, and dog breeds have evolved significantly since that time. That is why we can assume that this is a Cairn Terrier, likely of English origin. It is displayed on a beige-ochre marble base. Shipping available within France and internationally; please contact me for details
