Description

A 4-glass portal-style clock: gilded brass case, 4 small columns of white-veined sea-green marble, molded base. White enameled dial with Arabic numerals and painted floral garlands, gilded Louis XVI-style hands. 8-day mechanical movement with a circular gong (visible balance spring). Compensating balance with simulated mercury. Key-winding (key included). Top crowned with a gilded patinated bronze eagle with outstretched wings subduing a serpent--an imperial symbol. Pair of urn-shaped cassolettes in the antique style: same sea-green marble, gilded bronze mountings, tall handles, decorated with drapery and small flowers in the Empire style, lids with pine cones.
