3 200 EUR

Signature : Louchet fondeur

Period : 20th century

Condition : Parfait état

Material : Bronze

Height : 27 cm

Description

A lovely bronze by the foundry Louchet depicting a young woman with long hair--reminiscent of seaweed emerging from the waves--holding an oyster shell in her outstretched arms, which serves as a trinket dish; featuring on its brown-patinated base the stamp of Louchet, foundry, Paris . A faint, illegible signature is visible at the top of the stamp--likely that of the sculptor . Very beautiful original gilding.
