Description

A large pastel on paper depicting a geometric study, which may suggest a studio exercise or an exploration of volumes, shapes, and shadows. The work dates from the second half of the 20th century. The soft color palette consists of subtle, muted, and powdery pastel tones, lending the work a calm and timeless atmosphere. With its simplicity and restraint, the piece evokes the minimalist aesthetic and chromatic explorations of the Italian artist Giorgio Morandi. Frame dimensions: 82 cm × 60 cm × 2 cm For any additional information, requests for more photos, or to arrange delivery (free delivery in Paris), please don't hesitate to contact us.
