Description

Antique Bronze Gong - Beautiful Period Patina
A beautiful antique bronze gong, circular in shape and slightly domed, featuring a thick, antique patina in shades of dark brown, black, bronze, and blue-green. Its surface, richly marked by the passage of time, reveals numerous signs of use, oxidation, and wear that lend it a particularly authentic character. The center is adorned with a large relief bell, in shades of golden bronze, typical of this type of instrument. A small hole is visible on the side. The piece as a whole has a beautiful decorative presence and a strong personality, making it suitable for both a collector of antique instruments and a decor style inspired by Asian, ethnic, or Chinese themes. Condition: antique, with signs of use, oxidation, and natural patina consistent with the
