Description

Pair of trays, serving as a tray or a trinket dish to be placed on a surface or hung on the wall. Used as a support for drawings of nude models, which are engraved with a point into the white enamel, causing the design to stand out in reddish-brown--the color of the clay used to make the pieces. The border, which frames the design, is hand-painted in blue-green enamel and streaked with white lines etched with a point tool (the color of the background). The four corners of the pieces are rounded. The pieces are signed "PR" in enamel, applied with a brush. In good condition. SHIPPING AVAILABLE, carefully packed in reinforced packaging, via registered mail with signature confirmation, insurance, and online tracking using the tracking number (flat-rate shipping fee).
