age of twenty at the Universal Exhibition of 1855, in Paris . He then exhibited regularly at the Salon , from 1859 to 1892 ,where he obtained an honorable mention in the first year .He presented his sculptures again at the Paris Universal Exhibition in 1878.J.Moigniez enjoyed great success , particularly in England and the United States . Indeed , his works are considered remarkably detailed , with very thorough carving , complemented by elegance in attitudes .Faced with his son's success, his father created a foundry especially for him .
