

Religious Medallion Brooch: Virgin Mary On A Chair

380 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Length : 6,5cm

Width : 4,5cm

Description

A beautiful medallion that can also be worn as a brooch, made of 19th-century painted porcelain depicting the Virgin Mary with the infant Jesus and the infant St. John the Baptist (after Raphael). The outline imitates a 17th-century frame; there are no hallmarks, but it is undoubtedly solid silver.
