Description

A superb pair of linen and cotton curtains featuring peony motifs in medallions set against an ochre-colored lattice background. Wide scalloped borders encircling clusters of budding flowers, including poppies and cherry blossoms, on a black background. Very iridescent colors, typical of Napoleon III. No discoloration. Edges accented with a braided trim. H: 2.80 m each. Width: 2.45 m each (with seams in place). Very good overall condition. Sold with the matching valance. Valance: Length: 2.32 m. Width: 0.80 m. A few gaps in the trim and a barely visible repair on the valance. Price for the set: 640 euros. Also available for sale: 1 other pair of curtains made from the same fabric but without trimmings and with seams running vertically (curtains likely shrunk in width as there are no
