View Of The Tuileries Garden And The Louvre

430 EUR

Signature : Jules Gerardet ???

Period : 20th century

Condition : Bon état

Material : Gouache

Length : 75/59

Height : 59/45

Description

A beautiful, large gouache depicting a Parisian garden abounding with flowers, most likely a view of the Tuileries Garden in Paris, with the Louvre buildings visible in the background.The composition centers on a spectacular flowerbed of brightly colored blooms and a large stone urn on a pedestal. The winding paths and lawns draw the eye toward the monumental architecture, rendered in soft, slightly misty light.
