

18th-century-style Lamps With Gilded Bronze Frames

480 EUR

Signature : Faïencerie de Gien

Period : 19th century

Condition : Parfait état

Width : 22cm

Height : 48/35cm

Description

A pair of lamps in the 18th-century style. Resting on a gilded bronze base engraved with seashells. The body consists of baluster-shaped vases from the Gien pottery. The decoration features multicolored floral garlands, lambrequins, and foliage motifs reminiscent of 18th-century designs. Dating from the Napoleon III period, these lamps have been electrified (to current standards). They are topped with white pyramidal lampshades. Total height: 48 cm / lamp only: 35 cm Lampshade: 22 x 22 cm Square base: 12.5 cm
