Depth : 9 cm

Description

Clinging with its paws to the pen holder--which resembles a tree trunk--this cat's head is hinged and tilts open to reveal a glass inkwell. A 19th-century Swiss handcrafted piece, best known as the "Black Forest" style, this penholder inkwell is made of carved and stained linden wood; the eyes are made of sulfur glass. Shipping available in France and internationally; contact me for details
