

Bamileke Fetish Statue From Cameroon.

1 200 EUR

Period : 20th century

Condition : Etat d'usage

Description

Beautiful Bamileke fetish from Cameroon. In good overall condition, with a thick, dark patina from use, beneath which traces of an old red polychrome can be seen. Small protective fetish, antique, fairly rare in this size among the Bamileke; note the finesse of the carving. Height approximately 30 cm and 36 cm with the black wooden base, from a German collection.
